(a) whether all the applications for loans recommended under the Integrated Rural Development Programme (IRDP) have been cleared.

(b) if not, how many applications are still pending in various States;

(d) if so, how many such contacts were made so far, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARY): (a) and (b) Instructions have been issued to the banks that all IRDP loan applications received from the

District Rural Development Agencies (DRDA'S). should be disposed of within a period of fourteen days. It is possible that inspite of these instructions some applications would be pending for a period of more than 14 days as the banks have to identify the borrower, ascertain his eligibility, determine the viability of the scheme, etc. Some-times receipt of applications in a bunch also leads to delay in sanction. The RBI has reported that its present data reorting system does not yield information regarding number of loan applications pending with the bank branches in the various States.

(c) and (d) In connection with observance of 14th December 1985 as Rural Development Day Government had advised the banks that the Branch Managers should arrange a meeting of the beneficiaries/applicants for IRDP loans for the redressal of their grievances. However, as the Branch Manager was not required to keep a record of the number of beneficiaries who were contacted, it is not possible to indicate the number of persons with whom contact was made in these meetings.
